

UCAM provides a college experience similar to those in the USA, yet its structure actually surpasses what many US D1 programs offer.

As a globally recognized university in sports and business, UCAM has a strong athletic pedigree, evidenced by its 75+ athletes competing in the 2024 Paris Olympics.

The football student athletes will be part of the reserves of the professional team that competes in Segunda Federación.

REFERENCE ACADEMY IN THE REGION OF MURCIA

The country's best teams are constantly scouting our players, signing some of them every season. This reflects the high regard for our academy and shows that the country's top clubs recognize our work as being on par with theirs.
